Avant Premiere at Beirut Souks

On February the 28th, the avant premiere of the movie C – Section (يربوا بعزكن) was held at Cinemacity – Beirut Souks. All proceeds of the event went to support our organization. Several of the stars of the movie attended the event and everyone congratulated them on a lovely movie! Before the screening of the movie, a short documentary about Ayadina's work was screened as well.

We wish to thank the movie crew, Cinemacity staff and all friends who came and supported us and made this event a success.
